

# Learning in the Prep Year

INFORMATION FOR PARENTS

**Catholic  
Education**  
Diocese of Cairns

*Learning with Faith and Vision*

"Children are strong, rich and capable. All children have preparedness, potential, curiosity and interest in constructing their learning, negotiating with everything their environment brings to them."

– Leila Gandini 'Fundamentals of the Reggio approach to early childhood education' *Young Children*, Vol 49, no 1 pp 4-8

## What is Prep?

The Preparatory Year of full-time schooling (Prep) was introduced into all Queensland schools in 2007. The non-compulsory program is for children who turn five by June 30 in the year they start school. Queensland children start compulsory schooling (Year 1) at about the same age as children in other states of Australia.

## About Prep

Prep aims to smooth the transition into Year 1 and promote the continuity of your child's progress throughout the Early Years. International research shows the benefits of children taking part in full-time quality programs before they start Year 1.

Prep follows a rich play based program and its curriculum is based on active learning, which includes inquiry, investigation and purposeful play experiences.

The Prep Year is designed to better prepare children for formal schooling, in accordance with the Early Years Curriculum Guidelines. To get a copy of these guidelines, visit the Queensland Studies Authority website at [www.qsa.qld.edu.au](http://www.qsa.qld.edu.au)

## Developing the whole child

Families starting their child's schooling in the Catholic tradition know that Catholic schools are committed to the growth of the whole child by offering developmentally appropriate programs which address children's needs – spiritual, intellectual, physical, cultural, social and emotional. Faith, spiritual and values development is integrated into the Prep curriculum in keeping with the ethos and values of Catholic education.

The Prep program promotes the development of independence and acknowledges that children arrive at school as competent and capable learners who have been learning since birth. The year builds on your child's learning at home and in other places like kindergarten and child care.

## Facilities

Our Catholic schools provide quality, specialised learning areas and equipment to accommodate Prep classes. Flexible learning environments are designed to complement Prep's play based program and encourages an active investigative approach.

## A safe and caring environment

Catholic schools aim to provide special care and attention to all students, staff and families in the school community.

Each child's unique beauty and gifts are fostered. Child protection matters are taken seriously, and practices and protocols are in place to ensure Catholic schools are safe places that not only comply with regulations but move beyond mere compliance to prevention.

Prep classrooms in Catholic schools nurture right relationships. Through social emotional learning, children are supported in the development of life skills of confidence, getting along, persistence, organisation and emotional resilience.

## In close partnership

Our schools see education as a partnership between schools and families. Parents are welcomed as members of the school community and opportunities are provided to share in the school experience. Close communication between school and home is a priority. Prep teachers value partnerships with families, carers, communities and professional colleagues in order to develop supportive learning environments for students.

## What will children learn?

- to be thinkers and solve problems
- to use their imagination and creativity
- to cooperate with others
- to listen and communicate well with others
- to develop their motor skills
- to respect themselves and others and make sensible choices
- to find out about their world
- to become more independent
- to develop oral language skills
- to develop their understanding of literacy and numeracy
- to read and write

## What will they do?

- investigate interests and plan with their teacher about the things they might do
- make choices while designing and making things
- sing, dance and paint
- listen to stories
- play games indoors and outdoors
- use computers to draw pictures, make signs
- take part in everyday experiences like gardening, cooking and tidying up
- write and copy signs during their play
- learn about size, shape, weight and measurement as they construct things indoors and outdoors

## How can I get involved?

- share information about your child with the teacher (always treated confidentially)
- chat with your child about what they're doing at school
- visit the classroom for a brief chat or to take part in daily activities or special events
- read together and talk about story books, factual books and rhymes as well as about everyday items such as signs, notices, letters, catalogues, magazines, TV guides, food packaging and bills
- involve your child in family activities that investigate mathematical ideas, e.g. cooking, setting the table, matching socks, sharing a meal
- encourage your child to use 'junk' materials for drawing, making patterns, and building things

## When is my child eligible for Prep?

Birth date	Eligible for Prep Year in:
Child born 1 July 2008 to 30 June 2009	2014
Child born 1 July 2009 to 30 June 2010	2015
Child born 1 July 2010 to 30 June 2011	2016
Child born 1 July 2011 to 30 June 2012	2017
Child born 1 July 2012 to 30 June 2013	2018

## Is there early entry to Prep?

Early entry into the Prep Year is allowable only for children on transfer across Australia and internationally. Children on transfer who are younger than the age prescribed for the Prep Year (5 by 30 June) may only be enrolled in the Prep Year if the Principal is satisfied the child:

- has completed education in another state or country that is equivalent to the Prep Year; and
- is ready for education in the Prep year, having regard to the child's attributes.

No other early entry into the Preparatory Year is allowable under the Education Act's age entry regulations.

*"I know the plans I have for you... plans to prosper you and not to harm you, plans to give you hope and a future." ~ Jeremiah 29:11*

## What do I need to do now?

Calculate from the table in this brochure when your child can attend Prep.

Do things together with your child to prepare them for Prep such as reading, talking, playing, gardening, fishing and helping each other around the home.

For further information about enrolling your child in Prep contact your nearest Catholic School (see below), or Catholic Education Services.
