Dear Parents and Guardians,

* If you don't have a paper bag, you can also use an envelope. (Separate envelopes for each lunch). Please make sure the envelopes are large enough to fit your child's order because there is a big possibility that your child will lose their food. We sell paper bags for 10c.

*If you want to order for more than one child, please write the orders on separate bags for each child then put these and all money into only one child's bag. (All orders are together) This would be a great help as we don't need to search for each individual tuckshop order and money.
